

Unless otherwise indicated, the reference date for the information provided in this Website is October 15th, 2025 (the “Reference Date”).

Assets Under Management (“AUM”) refers to the assets managed or advised by the Viola Credit group and investable capital across various funds, separately managed accounts and portfolios, and is generally equal to the sum of (i) called and uncalled capital commitments, (ii) separately managed accounts programs investing alongside the funds, and (iii) drawn and undrawn debt from external debt providers. The amounts disclosed, and the methodology described above, differ from those used to determine our regulatory assets under management as reported in any of our Form ADVs.

Totals may not sum due to rounding.

Information on this website contains proprietary information regarding Viola Credit Partners Management, LP (“Viola Credit”), its affiliates and its investment strategies.

The views expressed and, except as otherwise indicated, the information provided are as of the Reference Date and are subject to change, update, revision, verification, and amendment, materially or otherwise, without notice, as market or other conditions change. Since these conditions can change frequently, there can be no assurance that the trends described herein will continue or that any forecasts are accurate. Neither Viola Credit, its affiliates, nor any of Viola Credit’s or its affiliates’ respective advisers, members, directors, officers, partners, agents, representatives or employees or any other person (collectively the “Viola Credit Entities”) is under any obligation to update or keep current the information contained on this website.

Information from third party sources has not been verified by Viola Credit. No representation or warranty, express or implied, is given by or on behalf Viola Credit Entities as to the accuracy, fairness, correctness or completeness of the information or opinions contained in this website and no liability whatsoever (in negligence or otherwise) is accepted by Viola Credit Entities for any loss howsoever arising, directly or indirectly, from any use of this website or its contents, or otherwise arising in connection therewith.

All investments are subject to risk, including the loss of the principal amount invested. These risks may include limited operating history, uncertain distributions, inconsistent valuation of the portfolio, changing interest rates, leveraging of assets, reliance on the investment advisor, potential conflicts of interest, payment of fees to the investment advisor, potential illiquidity, and liquidation at more or less than the original amount invested. Diversification will not guarantee profitability or protection against loss. Performance may be volatile, and the NAV may fluctuate.
